

## INVITATION

# 8TH INTERNATIONAL WORKSHOP AND CONFERENCE OF THE INTERNATIONAL SOCIETY OF PERFORMANCE ANALYSIS OF SPORT (ISPAS)

11-13<sup>th</sup> of September 2019 (Budapest, Hungary)

*„Technology meets Practice and Science”*

---

The sport scientific event aims to examine how performance analysts in elite sport, sports scientists, sport data analysts, coaches, athletes and software development companies interact and cooperate with each other.

### Main workshop and conference topics:

Performance Analysis  
Notational Analysis  
Sport Data Analytics  
Video Analysis in Sports  
Technology in Sports Coaching  
Biomechanical Analysis

The *8th International Workshop and Conference of ISPAS* is a perfect opportunity to learn more about how to analyse sport, how to interpret and present data. Furthermore, the event provides a great chance to significantly grow your professional network and make new valuable academic and business connections - all these over 2 and half days of networking and socializing in September in Budapest. You can find more information about ISPAS at: <http://ispas.org/>
